**J'ON ALEXANDER and JUAN
IZQUIERDO, on behalf of themselves and
others similarly situated,**

Case No. 23 CV 11101 (ER)

Plaintiffs,

v.

**DRG HOSPITALITY GROUP, INC. d/b/a
DELMONICO'S,**

Defendant.

-----X

DECLARATION OF JUAN IZQUIERDO

I, Juan Izquierdo, under penalty of perjury, affirm as follows:

1. I am a plaintiff in the above-captioned matter.
2. I worked at Delmonico's restaurant in Manhattan as a captain/server from approximately August 2023 to October 2023.
3. My job duties at Delmonico's included serving customers, running food and drinks, clearing tables, folding napkins, setting tables, moving tables, and stocking stations. I was on my feet and carrying items for virtually my entire shift.
4. I also regularly processed credit card payments as part of my job.
5. Attached hereto as **Exhibit 1** are true and correct copies of some of my paystubs from Delmonico's. I no longer have all of my paystubs. This exhibit includes my last paystub. My paystubs show the amount of credit card tips I received but not the amount of cash tips that I received.
6. I worked for Defendants in approximately seven weeks. I usually worked five days per week. In approximately two or three weeks I worked four days per week.

7. Attached hereto as **Exhibit 2** are true and correct copies of tip sheets from Delmonico's. Entries in the captain or server sections of these documents with my full name or "Juan" refer to me. This exhibit does not include every tip sheet from every shift that I worked.
8. The pages in Exhibit 2 that have separate sections for each front of house position and box on the bottom right that says "Point Values" show all of the front of house employees who worked that shift. The pages in Exhibit 2 that have headings for station, server, cash tips, and credit card tips show the amount of cash and credit card tips paid by customers for that shift.
9. In general, customers at Delmonico's left tips that were at least 20% of the bill.
10. The sommelier Sergio who hired other sommeliers and received tips for shifts when he did not provide customer service is listed on the tip sheets as "Sergio" in the sommelier section.
11. The maître d' Laura who participated in interviewing/hiring employees and managing the restaurant is listed on the tip sheets as "Laura" in the maître d' section.
12. The captain Branko who participated in interviewing/hiring employees and managing the restaurant is listed on the tip sheets as "Branko" in the captain section.
13. Delmonico's distributed credit card and cash tips through a tip pool. Each person in the tip pool was allocated a certain number of points based on his or her position. Captains, servers, bartenders, sommeliers, and maître d's got 10 points each. Runners and barbacks got 7.5 points each, and bussers got 5 points each. Although hosts are listed on some of the tip sheets, they did not receive any tips.
14. The credit card and cash tips for each shift were distributed on a *pro rata* basis according to the number of points allocated to each person included in the tip pool for that shift.
15. I declare under penalty of perjury that the foregoing is true and correct.
